

CAMP CONNECTIONS

SESSION 1: JUNE 25-28

SESSION 2: JULY 30- AUGUST 3

6th – 8th Grade Youth Field Camp

Delta County is the place to build a foundation for outdoor skills and learning in the #bestbackyardintheworld - join TNC for a four-day camp, where students will interact with wonderful spaces through hands-on activities. The Nature Connection staff is ready for their first summer of youth camps - provided in June and July for those entering 6th-8th grade in 2018-2019. With our newly intact gear library, students will participate in activities that utilize the many tools and techniques for proper camping in front and backcountry situations, which leads to lifelong adventures in the outdoors. Note: Session 2 will partner with Cedaredge Libraries for additional activities and field trips!
