1	Life jackets... I have 2 kayaks but no extra life jackets(with whistles) for different people to come with me. I like what Ridgeway has done to supply life jackets, I have been able to bring a few people there, but it would be nice to have this at Crawford Lake and perhaps Grand Mesa Visitor Center.	5/19/2016 8:42 AM

1	Some things like camping, would be easier if I would be able to use my CPAP (breathing machine). It would be cool to be able to rent a battery operated CPAP machine or a solar panel operated one. I would also like to see a network of paved biking/walking paths with considerable distances. It would be neat to have bike air pump stations at certain checkpoint areas on the bike paths too. Shaded break areas and paths along forest and river or stream areas would be ideal. Having a bike-friendly town with more bike racks and bike routes to encourage biking to work in our community would be great. Last year Ridway had life jackets on the honor system which helped me join a group of paddlers that I wouldn't have had the opportunity otherwise.	5/22/2016 12:49 PM
2	Oh, yes. I keep forgetting because I am from Canada, but I feel that charges for parking in state parks is a huge deterrent for accessing outdoor activities. Perhaps it would be a good idea to reduce annual passes or the even the second pass for second vehicle.	5/19/2016 8:47 AM
3	I work in the school district and would love to coordinate services to get kids outdoors more often.	4/20/2016 11:06 AM
4	Thank you!	4/19/2016 5:06 PM
5	A whitewater park in Delta would be great and can utilize a great resource as well as increase potential to boost the local economy	4/11/2016 8:08 PM
6	This is a great initiative! So excited to see active participation in all our great state has to offer!!	3/15/2016 10:54 AM
7	more snowshoes	3/13/2016 10:29 AM
8	Our community is not a rich community. Even if the resources were available cost could still be an obstacle. The resources would need to be free or at a significantly reduced cost.	3/10/2016 1:20 PM
9	We are blessed here, I think our outdoor recreation is just about right and needs no further improvement.	3/10/2016 10:41 AM
10	I will to have a climbing rock place.thank you.	2/25/2016 2:57 PM
11	WE NEED A SPORT CLASS!	2/24/2016 12:19 PM
12	Delta County really needs some Mtn. Bike trails besides the extreme (for gung ho kids with a death wish) Rattlesnake Trail. I'm 63 and go to Fruita now, but would really like something closer.	2/16/2016 7:54 PM
