1	I have been at Olathe for the last several years. The only playground equipment that has changed is they added a rock climbing deal to replace the broken slide. We would love to be able to give kids more experiences outdoors.	4/28/2016 11:42 AM
2	Our community is in need of more outdoor options. Our community is small and we often don't have the time or recourses to drive to other towns near us to enjoy some of the activities that the other towns have. Our School at olathe elementary has had a playground that was there when I was in fourth grade and has only made improvement to its broken pieces.	4/28/2016 10:23 AM

4	Walking/bike path from Delta to Montrose would be awesome!....	4/15/2016 10:09 AM
5	One of the most important components of getting people outdoors to recreate is education and providing positive and meaningful early experiences. A mentor program would be very important. Creating a social group to recreate on a regular basis is also essential to continued participation.	3/14/2016 3:12 PM
