3	This survey is very dumb because you are specific to one group of people. This was forced on to the students of my class no matter how inactive the students are. I am a very unhappy because this is very irrelevant to my life and it was a major waste of time. I do not care for Outdoor activities unless I need to walk the two miles to get into my town. You seriously need to add option for the people that don't care physical exertion. Also we all know that this grant "for the whole district" will only effect the Delta High School. I urge you to stop bugging me about stuff that I personally do not care about. Thank you, and have a good day.	3/30/2016 10:18 AM
